

New York Criminal Practice

Second Edition

Use the **definitive** source for New York criminal practice and procedure only available from LexisNexis®

New York Criminal Practice provides unparalleled treatment of New York's substantive and procedural law for each stage of the criminal process—from arraignment to appeals. This 8-volume, loose-leaf set offers in-depth coverage of specific offenses and available defenses, pretrial and trial procedure, sentencing requirements and criminal appeals, with over 300 sample forms.

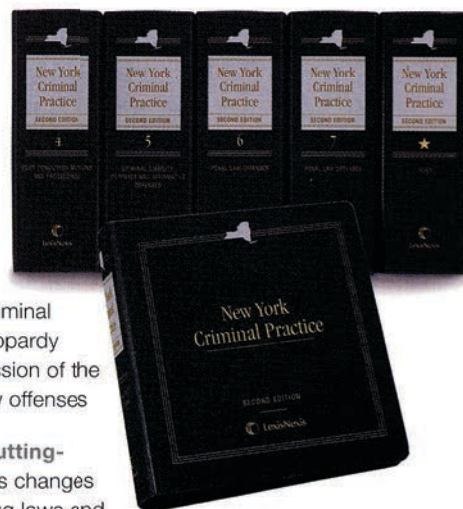

This unique resource has been rewritten and re-engineered to meet the needs of contemporary users. **New York Criminal Practice** delivers an accurate, complete and comprehensive statement of New York criminal practice and procedure in a format that's as easy to use in print as online. It includes such cutting-edge topics as classification of offenses and statutory changes in New York sentencing law as reflected by the 2005 Rockefeller Legislation.

Procedurally organized and updated three times a year with 86 chapters in 8 volumes, **New York Criminal Practice** captures the latest information in criminal law. Expert practitioners ensure accuracy and alignment with criminal practice specific to New York. If you're building a comprehensive criminal law library or updating your New York-specific library, **New York Criminal Practice** belongs in your office.

The LexisNexis® Total Research System for New York complements the way you practice by providing sources appropriate to the task to be completed—in both print and online. You choose your entry point and preferred method of research—start with the statute, use a LexisNexis® AnswerGuide™ title or read the treatise—the choice is yours. Regardless of the method or medium you choose, you're assured of finding precise information and links to concise New York-specific information to help you find what you need when you need it.

Modernized and enhanced for easier use

- **86 chapters** offer practical guidance on criminal procedure topics ranging from an overview of the criminal process to double jeopardy and a discrete discussion of the substantive penal law offenses
- **New coverage of cutting-edge topics**, such as changes to the Rockefeller drug laws and sentencing for felony drug offenders
- **Descriptive section headings** for easy Table of Contents searching (in both print and online formats)
- **Enhanced online linking** provides a seamless transition to a reference within the title or to related cases, codes and forms
- **Updated three times a year** to ensure access to the latest developments in New York criminal law
- **Expert practitioners** ensure accuracy and alignment with how criminal law is practiced in New York

Guidance for the Second Edition is provided by a renowned Criminal Law editorial board comprised of the following prominent experts: Jay Shapiro of Katten Muchin Rosenman LLP; Ronald J. Briggs, Essex County District Attorney; Stefano Cambareri of Cambareri, Cambareri, & Koldin LLP; Stephen R. Coffey of O'Connell and Aronowitz; Gordon Mehler of Law Offices of Gordon Mehler; Robert Hill Schwartz of Law Offices of Robert Hill Schwartz.
